NCC Education Local and Global Examinations should be scheduled according to these principles:

- Examinations will be scheduled in accordance with the dates and times published in the NCC Education Examination Dates document available to download from Connect web portal under section: *Activity Schedules and Examination Dates* or alternatively via the website: [www.nccedu.com](http://www.nccedu.com).
- A candidate may have two examinations in one day. Where candidates have more than one examination in a day, the total number of hours of examinations in any one day will not normally be more than four (that is, if you have a three hour examination and one hour examination or two two-hour examinations but not two x three hour examinations).
- Where candidates have an examination in the evening (that is, finishing after 5.00pm), they will not have an examination before 9:00am the following morning.
- If candidates have two examinations on one day, the minimum period of time between examinations will be 90 minutes.
- Examinations will be conducted in accordance with the NCC Education Instructions for Conducting Examinations available at Connect web portal under section: *Useful Operational Documents* or alternatively via the website: [www.nccedu.com](http://www.nccedu.com).
