Introduction

Progress to university with NCC Education qualifications!

Originally established as an initiative by the British Government in 1966, NCC Education is a UK awarding body and global provider of education.

Working with some of the world's leading British academics and industry, the NCC Education qualification portfolio is continually expanding to align with the ever-growing needs of employers and higher education institutes alike.

NCC Education's Level 3 International Foundation Diploma for Higher Education Studies (L3IFDHES) is now recognised by over 100 universities, branch campuses, business schools and professional bodies for on-campus study in over 20 countries. Students are eligible to apply to Year 1 of undergraduate study in the UK, Australia, Canada, China, Cyprus, France, Germany, Hong Kong, Ireland, Japan, Malaysia, Mauritius, New Zealand, Singapore, Switzerland, UAE, USA, Uzbekistan and Vietnam (see pages 1-133).

Many NCC Education Level 3, 4 and 5 Diploma in Business and Level 3, 4 and 5

Diploma in Computing (with specialisms) students choose to follow NCC Education's world-class top-up degree pathways in Business, Computing or Cyber Security through our global network of Accredited Partner Centres. As an alternative to this, NCC Education is proud to offer a number of university progression and articulation options from these Diplomas, enabling students to apply to Year 1 of an undergraduate degree or with advanced standing/credit exemptions towards Years 2 or 3 (see pages 134-222).

There are also a range of options at postgraduate level for Pre-Master's in Business and Level 7 Diploma in Business Management graduates (see pages 223-241).

If you need more advice on progression to further study with your NCC Education qualification, please contact your local Accredited Partner Centre or

customer.support@nccedu.com

Note: Many other universities accept NCC Education qualifications. This brochure only lists those who have issued NCC Education with a letter of recognition.

2024 UCAS Application Guide

Please see the following link for further support: <https://www.ucas.com/undergraduate/applying-university/filling-your-ucas-undergraduate-application>

If you have any problems following the below steps, please contact UCAS or your centre directly for further help and advice: <https://www.ucas.com/contact-us>

1 TO GET STARTED

Visit the new UCAS Hub. Make sure you are on the 'Register' tab and then fill in your details to create an account: <https://accounts.ucas.com/Account/Login>

Once you have registered on the UCAS Hub, you will be sent an email asking you to verify your account. Follow the instructions.

After verifying your account, you are ready to sign in. Return to <https://accounts.ucas.com/Account/Login> and go to the 'Sign in' tab.

Take some time to explore the UCAS Hub.

5 TO APPLY
Go to the home dashboard on your UCAS Hub profile.

Select the appropriate application year i.e. 2024 and click 'Start application' then 'Undergraduate'.

7 If your centre has a UCAS buzzword then add it, otherwise cancel and continue your application.

8 Add your university / degree choices (maximum of 5)

9 Complete all information fields

10 In the 'Education' section, click 'Add place of education'.

11 Type in the name of your centre. Select your centre - most international schools are not listed; if this is the case, type in the name of your centre and add it. Leave the exam centre number blank.

12 **INPUT THE DATES**
of when you started at your school and when you finished

13 **PICK 'FULL-TIME'**
in the type of study option

14 'Do you, or will you, have any qualifications from this centre?' Select 'Yes'

15 **SAVE**

16 **CLICK 'ADD QUALIFICATION'.**
It is advisable to have your transcript(s) next to you so you can copy the information for each module as required.

17 **GO TO THE 'SEARCH BY NAME' BAR.**

If your centre is in the UK, search for 'Other (UK Qualifications)'. If your centre is in the EU, search for 'Other (International EU Qualifications)'. If your centre is outside the EU, search for 'Other (International Non-EU Qualifications)'.

18 In 'Subject/Title' type in the title of the qualification, for example 'NCC Education Level 3 International Foundation Diploma'

19 Select a qualification date (see your NCC Education transcript)

20 In 'Exam' type the name of the awarding organisation i.e. NCC Education

21 In 'Result' put your overall numerical grade (if you have it, if you don't have it yet you can leave it blank).

22 In 'Module/Unit' type in the module title, qualification date and the results if you have any for this qualification. You might not have them all yet in which can just leave any awaiting results blank. To add more, click 'add another module'.

23 **SAVE IT!**
You can add another qualification and come back to edit as needed.

24 The Unique Learner Number (ULN) can be left blank.

25 For 'Please state the highest level of qualification you expect to have before you start your course', Level 3 graduates should select 'Below honours degree level qualifications'.

26 Mark section as complete.

27 Continue with the rest of your application, including providing any details of employment and your personal statement and references.

CONGRATULATIONS! YOU ARE NOW ON YOUR WAY TO STUDYING IN THE UK.

Note: Non-EU International students can usually apply to UCAS at any time between 1st September and 30th June in the year preceding the academic year that studies commence. Most students apply well before the deadline to make sure that places are still available on their desired courses. Applications received after 18:00 (UK time) on 30th June will be automatically entered into Clearing.

“

The assignment for the Business unit was interesting as it required me to do research as if I wanted to open my own company. This helped me understand the different aspects required for an entrepreneur to start up a new business.

The English-language units also helped me to successfully pass my IELTS exam as well as understanding the correct way to write assignments.

I would recommend L3IFDHES to other students because it can lead to progression to a lot of universities in the UK and Australia, including the Russell Group and Group of 8.

Carroll University | Waukesha, Wisconsin

BENYAPA KHOWPINITCHAI '20

Major: Biology | Minors: Art, Mathematics and Biochemistry

"I have engaged in both internal and external **research opportunities** throughout my time at Carroll. I have worked on multiple research **projects with biology faculty**. Additionally, I have also **interned at various external research institutions**, including the Medical College of Wisconsin and the Harvard University Stem Cell Institute. From my experience conducting research studies off-campus, I learned that despite coming from a small liberal arts college, **I have been sufficiently prepared to carry out a well-designed research project and produce reliable findings like those from prestigious universities**. Thanks to the **International Scholarship** I have received from Carroll every year, I can **engage in this unique and amazing college experience**."

NCC Education's Level 3 International Foundation Diploma for Higher Education Studies helped me to develop strong critical thinking skills as well as language skills which are beneficial for me to succeed at university. It allowed me to make new friends, be involved in group work and achieved my L3IFDHES overall score of Distinction.

I would like to say if you are looking for a chance to study abroad, the L3IFDHES programme is a better choice for Chinese students.

The NCC Education Level 3 International Foundation Diploma for Higher Education Studies offers pathways to students in many countries.

The well-rounded knowledge and skills provided in this diploma gave me the ultimate foundation for my higher education studies!

The study and communication skills module in particular provided the necessary knowledge about university report writing and other study skills.

Amaya Mapatuna

After completing the NCC Education Level 3 Diploma for Higher Education Studies, Amaya was accepted to study joint BSc (Hons) Mathematics and Economics at the University of Manitoba, Canada.

The NCC Education Level 3 International Foundation Diploma for Higher Education Studies (L3IFDHES) is a very reliable British diploma.

My favourite thing about this qualification is that I can apply to universities in over 20 countries.

Now that I have completed the L3IFDHES, I have gained more confidence in my future success in life.

“

Prior to studying NCC Education's Level 3 International Diploma For Higher Education Studies (L3IFDHES) I had a long-term academic struggle with traditional classes.

However with L3IFDHES we were encouraged to develop our own thoughts and opinions through group work and class discussions. I got involved as much as possible and enjoyed the encouragement I gained from my studies.

The best thing my L3IFDHES journey has given me is a new academic route to master my future. Completing the L3IFDHES has opened up so many academic opportunities for me.

“

I still remembered the first day of my 11th grade: I walked into my new classroom, followed by my new classmates. At that time I didn't know what my next chapter would be, not to mention that I would be receiving offers from 10 world-leading universities!

My L3IFDHES lecturers promoted critical discussions about real business industry issues and applied them to our class. The course gave me the opportunity to devote myself entirely to the business world and encouraged me to be selective about what I really want to become good at.

A special quality about the L3IFDHES is that it includes units in Study Skills and English for Academic Purposes. These units feature elements which are not included in A-levels, but are invaluable throughout our student career.

Study Skills includes note-taking skills, academic essay writing, reading techniques and revision strategy, while English for Academic Purposes is a subject which has been most beneficial to me, by improving my academic writing skills. The quality of teaching is outstanding, and I would highly recommend anyone to consider L3IFDHES.

“

I think it's essential to continue your education nowadays and the NCC Education Level 4 Diploma in Business allows you to gain a sound knowledge in concise amount of time.

It is certainly ideal for working people and young students, as you learn from each other, which I personally found to be a great advantage.

Studying online with NCC Education and UCLan was a rewarding experience that I wholeheartedly recommend to prospective students.

The BCIS programme utilised contemporary online learning methods; providing flexibility, interactivity, and abundant online resources.

The course allowed me to connect with fellow students and engage with instructors in a professional setting and I found the support team consistently responsive.

I liked the NCC Education Level 5 Diploma in Computing (with Business Management) for a few reasons. It taught me how to code and solve problems, which is important nowadays. It also showed me how technology and business go together, giving me a full picture.

Doing real projects with others made learning fun and practical. My teachers were really good at helping me with my projects, making the whole learning experience great.

“

Completing the NCC Education Level 7 Diploma in Business Management has been a fantastic achievement.

I chose this program for its diverse modules, flexibility, affordability, and strong student support. As a full-time professional, its adaptability to my schedule and learning needs has been invaluable. I was able to explore disciplines like Marketing and strengthen my knowledge in Corporate Finance and Strategic Management.

I'm excited to use the L7DBM as a foundation for completing an MBA with one of NCC Education's partner universities. I highly recommend this programme for its quality education and flexibility, which is ideal for balancing work and studies.

HOW DOES IT WORK?

Students complete NCC Education's 120-credit Level 7 Diploma in Business Management (L7DBM) with their local Accredited Partner Centre (a range of face-to-face, blended and online delivery options are available).

This can be topped up to a full Master's in Business Administration by completing an online 60-credit MBA top-up with Cardiff Metropolitan.

Cardiff Metropolitan University's MBA Advanced Entry Programme consists of a Research Methods module (20 credits) and a Dissertation (40 credits) on a topic of your choice.

On successful completion of the course, students receive a Cardiff Metropolitan University certificate in 'Master of Business Administration' as well as a transcript and HEAR (Higher Education Achievement Report).

Graduates are also invited to attend the graduation ceremony based in Cardiff.

MBA Master of Business Administration (Top-Up)

NCC Education is delighted to partner with the University of Plymouth to offer degree graduates and working professionals a flexible and affordable route to an MBA.

This MBA top-up programme is designed specifically for holders of postgraduate diplomas in business and management, allowing you to fast-track your studies to gain a full MBA award.
