

- **LEVEL 4 DIPLOMA IN COMPUTING**
- **LEVEL 4 DIPLOMA IN COMPUTING (with Business Management)**

Equivalent

The **Level 4 Diploma in Computing** is the first year of the NCC Education degree journey. The qualification is equivalent to the first year of a Computing degree qualification in the UK university system.

Overview

The NCC Education Level 4 Diploma in Computing offers students two specialist pathways designed to suit each student's preference and support progression into relevant occupational areas or on to further study. Therefore, helping to meet the needs of students, as well as the local skills and training needs.

Students develop essential thinking and study skills, not only within the computing domain, but also within the context of business through a balance of academic and vocational subjects.

The qualification will allow students to understand and enter the computing profession with the necessary knowledge expected within the industry and the ability to apply the skills to a range of computing-related functions.

Entry Requirements

For each specialist pathway, the entry requirements are as follows (see **Table 1**)

If a potential student's first language is not English, they must also reach the English Language requirements of either:

- International English Language Testing System (IELTS) minimum score of 5.5
- OR
- GCE 'O' Level English C6

Alternatively, take the free NCC Education Higher English Placement Test, at one of our Accredited Partner Centres.

Mature applicants will be considered for entry if they are able to demonstrate over two years of relevant work experience; AND have a GCE 'O' Level / IGCSE English and Maths or equivalent.
