NCC Education Local and Global Examinations should be scheduled according to these principles:

Examinations will be scheduled in accordance with the dates and times published in the NCC Education Examination Dates document available to download from Connect web portal under section: *Activity Schedules and Examination Dates* or alternatively via the website: www.nccedu.com

A candidate may have two examinations in one day. Where candidates have more than one examination in a day, the total number of hours of examinations in any one day will not normally be more than four (that is, if you have a three hour examination and one hour examination or two two-hour examinations but not two x three hour examinations)

Where candidates have an examination in the evening (that is, finishing after 5.00pm), they will not have an examination before 9:00am the following morning.

If candidates have two examinations on one day, the minimum period of time between examinations will be 90 minutes.

Examinations will be conducted in accordance with the NCC Education Instructions for Conducting Examinations available at Connect web portal under section: *Useful Operational Documents* or alternatively via the website: www.nccedu.com
