

Bsc (Hons) Business Computing and Information Systems

**BSc (Hons)
Top-up Degree**
Equivalent to the third year
of a bachelor's degree

Overview

The BSc (Hons) Business Computing and Information Systems Top-up Degree is delivered online by NCC Education, validated and awarded by the University of Central Lancashire (abbreviated UCLan).

This programme equips students with a blend of technical IT skills and business expertise which prepares them for careers in senior management roles. The programme modules are designed to provide students with the fundamental skills and knowledge required by employers in the IT sector.

The final year online top-up programme is a natural progression from our Level 5 Diploma in Computing or Level 5 Diploma in Computing (with Business Management), currently offered by NCC Education as part of the top-up degree journey.

Graduates can pursue careers in:

- IT Management / Consultancy

- Software Engineering
- Networking
- Data Management
- Cyber Security
- Information Systems Management

About the University of Central Lancashire

In 1828, the University of Central Lancashire was founded in Preston, UK as the Institution for the Diffusion of Knowledge.

Today UCLan is rated as one of the UK's highest risers in the National League Table and is one of the UK's largest universities, with a student and staff community approaching 38,000. Internationally, the university has academic partners in all regions of the globe.

The University of Central Lancashire is ranked in the top 3.7% of universities in the world, according to the Centre for World University Rankings (CWUR).
