UNIVERSITY OF GREENWICH
BSc (HONS) COMPUTING

BSc (Hons) Top-up Degree

Equivalent to the third year of a bachelor's degree

Overview

The BSc (Hons) Computing (with specialisations available in Network Systems and Information Systems) Top-up Degree is delivered by NCC Education Accredited Partner Centres. It has been designed to prepare students for employment in the IT sector.

This qualification provides students with the required theoretical knowledge and practical skills to apply to a real business environment.

The degree is awarded by the University of Greenwich. The first and second year of the degree journey is awarded and certificated by NCC Education.

Graduates can pursue careers as a:

- Business analyst
- Project manager
- Web developer
- System analyst
- Database Administrator
- Programmer
- IT Consultant

About the University of Greenwich

The University of Greenwich was founded in 1890, previously existing as Woolwich Polytechnic and Thames Polytechnic before being granted university status and renamed in 1992.

Situated on the banks of the River Thames, the university's main campus is in what was the Old Royal Naval College – a UNESCO World Heritage site in Greenwich, southeast London.

The University of Greenwich has three attractive, historic campuses in London, Medway and Kent.

The university is home to a diverse community of nearly 28,000 students studying in the UK and overseas, one in five of them are postgraduate.

Greenwich is a multi-faculty university which provides high-quality teaching, research and enterprise and puts student satisfaction at the heart of their work.
