O VERVIEW

The BSc (Hons) Business Management (Top-Up) programme is designed to enhance your existing knowledge and skills in business management. It provides an international context, real-world experience, and specialist expertise in various subject areas. The programme fosters essential workplace skills and encourages lifelong learning, equipping you to work independently and as part of a team.

ABOUT UNIVERSITY OF BOLTON

The University of Bolton, based in Bolton, United Kingdom, is dedicated to delivering excellence in education. With a rich history spanning over 190 years, the university is renowned for its rigorous academics and practical skills development. It prepares students for future careers by offering globally recognised programmes tailored to industry demands.

ENTRY REQUIREMENTS

We would need your CV, Level 5 in Business or equivalent professional qualification, proof of ID and a completed application form to apply.

HOW STUDENTS STUDY

Learning and teaching methods apply a blended style. This may include lectures, seminars, tutorials and critiques, self-directed learning, e-learning and laboratory/workshop sessions, as well as online sessions and support. Practical skills are acquired through technical introduction and support, workshop sessions, demonstrations and activity-based assignments. Active learning is promoted with a strong practical theme, throughout.
