Regulated  
Qualification  
Framework (RQF)

Equivalent to  
UK secondary  
education up to  
age 16

## Overview

The NCC Education Level 2 Diploma in Business is a comprehensive and flexible qualification that enables learners to develop in-depth knowledge and skills across key areas of business. The skills acquired are highly transferable across industries and sectors, preparing learners to add significant value in a professional workplace.

This Diploma pathway provides a robust foundation, equipping learners with the essential competencies needed to progress to further study or confidently enter the workplace with a well-rounded understanding of business principles.

## Entry Requirements

Learners should be working towards their GCSE/IGCSE 'O' Levels or an equivalent qualification in their own country and be predicted 4 subjects with minimum grades of 'C', '4' or equivalent\* in each. These should include Mathematics and English.

The NCC Education Level 2 Business suite syllabus and assessment is suitable for candidates aged 14 and above (at Key Stage 4 of the English national curriculum) as well as older (including adult) learners.

It is expected that candidates who are non-native English speakers are able to cope with the demands of preparing for and taking the NCC Education Level 2 Business suite qualification assessment in English.
