

UNIVERSITY PROGRESSION

Routes

2026-2027

**SHAPING TOMORROW,
STARTING NOW.**

EDUCATE. INSPIRE. GROW.

Introduction

Progress to university with NCC Education qualifications!

Originally established as an initiative by the British Government in 1966, NCC Education is a UK awarding body and global provider of education.

Working with some of the world's leading British academics and industry, the NCC Education qualification portfolio is continually expanding to align with the ever-growing needs of employers and higher education institutes alike.

NCC Education's Level 3 International Foundation Diploma for Higher Education Studies (L3IFDHES) is now recognised by 120 universities, branch campuses, business schools and professional bodies for on-campus study worldwide! Students are eligible to apply to Year 1 of undergraduate study in the UK, Australia, Canada, China, Cyprus, Finland, France, Germany, Hong Kong, Ireland, Japan, Kazakhstan, Malaysia, Mauritius, New Zealand, Singapore, Sri Lanka,

Switzerland, UAE, USA, Uzbekistan, Vietnam and more (see pages 12-231).

Many NCC Education Level 3, 4 and 5 Diploma in Business and Level 3, 4 and 5 Diploma in Computing (with specialisms) students choose to follow NCC Education's world-class top-up degree pathways in Business, Computing or Cyber Security through our global network of Accredited Partner Centres. As an alternative to this, NCC Education is proud to offer a number of university progression and articulation options from these Diplomas, enabling students to apply to Year 1 of an undergraduate degree or with advanced standing/credit exemptions towards Years 2 or 3 (see pages 232-355).

There are also a range of options at postgraduate level for Pre-Master's in Business and Level 7 Diploma in Business Management graduates (see pages 356- 379).

If you need more advice on progression to further study with your NCC Education qualification, please contact your local Accredited Partner Centre or

customer.support@nccedu.com

Note: Many other universities accept NCC Education qualifications. This brochure only lists those who have issued NCC Education with a letter of recognition.

About this booklet

All information has been checked for accuracy by NCC Education, however it is subject to change.

For the most up-to-date information on the universities and courses you wish to consider, please check the university website directly and contact their international admissions team.

Your NCC Qualification Can Take You Around The World

Turn your qualification into your next international opportunity.

Through our relationship with NCC Education, Quill helps students explore progression opportunities and make informed decisions about their next steps.

Whether you are considering **Malaysia, Singapore, Japan, Australia** or another international destination, we can support you throughout your application journey.

HOW QUILL SUPPORTS YOU

Exploring universities and study destinations

Identifying suitable programmes and pathways

Understanding entry requirements

Preparing applications and supporting documents

Providing guidance from enquiry to further study

ONE EDUCATION NETWORK. A CONNECTED LEARNING ECOSYSTEM.

More opportunities. Clearer choices. One supported journey.

Explore your next step at
quill-learn.com

i Progression and admission are subject to each institution's entry requirements, programme availability and admissions decisions.

Progress to an International University with NCC Education!

Awarding
Great British
Qualifications

Following the release of the **QS World University Rankings 2027**, we are thrilled to announce that **58 universities in the Top 1000** officially recognise and welcome applications from NCC Education's Level 3 International Foundation Diploma for Higher Education Studies (L3IFDHES) students on a case-by-case basis!

Take your education to the next level with a globally recognised foundation diploma.

Our L3IFDHES programme opens doors to top-ranked universities worldwide, allowing you to achieve academic excellence and pursue your dreams.

Here are just a few of the prestigious universities that consider applications from NCC Education students:

- =40: The University of Queensland (Australia)
- 67: University of Auckland (New Zealand)
- =77: The University of Western Australia (Australia)
- 97: University of Nottingham (UK)
- 97: University of Nottingham Malaysia* (Malaysia)
- =119: RMIT University (Australia)
- =119: RMIT University Vietnam* (Vietnam)
- 125: University of Bath (UK)
- 136: University of Exeter (UK)
- =158: University of York (UK)
- 189: Curtin University (Australia)
- 189: Curtin University Colombo* (Sri Lanka)
- 189: Curtin University Dubai* (UAE)
- 189: Curtin University Mauritius* (Mauritius)
- 189: Curtin University Malaysia* (Malaysia)
- 189: Curtin University Singapore* (Singapore)
- =196: University of Reading (UK)
- =196: University of Reading Malaysia* (Malaysia)
- 215: Massey University (New Zealand)
- =230: University of Strathclyde (UK)
- =241: La Trobe University (Australia)
- =241: Victoria University of Wellington (New Zealand)
- =246: University of Surrey (UK)
- =273: University of Sussex (UK)
- 291: Swinburne University of Technology (Australia)
- =314: University of Leicester (UK)
- =322: Swansea University (UK)
- =322: York University (Canada)
- 325: Heriot-Watt University Malaysia* (Malaysia)
- =354: Sunway University** (Malaysia)
- =381: University of East Anglia (UK)

Level 3 International Foundation Diploma for Higher Education Studies

L3IFDHES
Regulated
Qualifications
Framework (RQF)

Equivalent
Pre-University
Bridging
Programme

The Level 3 International Foundation Diploma for Higher Education Studies (L3IFDHES) is a one-year pre-university qualification that equips students with essential skills in English, mathematics and research and study skills.

This programme prepares students for direct entry into the first year of an undergraduate degree at internationally recognised universities, covering various disciplines from law and finance to engineering and art.

DILFUZA FAYZALIYEVA

Dilfuza completed NCC Education's Level 3 International Foundation Diploma for Higher Education Studies and has progressed to study with STARS International University and the Association of Chartered Certified Accountants (ACCA) in Uzbekistan.

NCC Education's Level 3 International Foundation Diploma for Higher Education Studies was very important as it taught me all the key basic skills in Communication, English and Maths.

At the same time I found it challenging as I learnt how to speak academically. My favourite subject was English for Academic purposes - this unit helped me improve my grammar and helped me to express myself when delivering speeches.

The L3IFDHES gave me an excellent foundation for my further studies in Accounting.

Amity University Tashkent Uzbekistan

CARROLL
UNIVERSITY

Carroll University | Waukesha, Wisconsin

BENYAPA KHOWPINITCHAI '20

Major: Biology | Minors: Art, Mathematics and Biochemistry

"I have engaged in both internal and external **research opportunities** throughout my time at Carroll. I have worked on multiple research **projects with biology faculty**. Additionally, I have also **interned at various external research institutions**, including the Medical College of Wisconsin and the Harvard University Stem Cell Institute. From my experience conducting research studies off-campus, I learned that despite coming from a small liberal arts college, **I have been sufficiently prepared to carry out a well-designed research project and produce reliable findings like those from prestigious universities**. Thanks to the **International Scholarship** I have received from Carroll every year, I can **engage in this unique and amazing college experience**."

Be a Pioneer. Discover Carroll University at carrollu.edu

HANCHEN HUANG

Hanchen Huang completed NCC Education's Level 3 International Foundation Diploma for Higher Education Studies. He progressed to study BSc (Hons) Business and Finance from Coventry University at PSB Academy, Singapore.

My year studying the L3IFDHES has been a journey into the unknown. From the relief of grasping the first obscure concept to the sense of accomplishment in independently applying knowledge to solve problems, every step was filled with both challenges and surprises.

These experiences helped me shed my dependency, transforming from passive acceptance to active exploration and becoming a more independent and confident version of myself.

NORFASHA AMIRYSHAM

Norfasha completed NCC Education's Level 3 International Foundation Diploma for Higher Education Studies. She progressed to study Bachelor of Information Technology (Hons) from UNITAR International University at HADtech College, Brunei.

The NCC Education L3IFDHES prepared me for university by improving my academic English, study skills and time management. It also taught me how to do research, write assignments and think more critically.

I enjoyed the supportive environment and the chance to explore new and different areas of study, which made the programmed both useful and enjoyable.

WENZHONG ZHANG

Wenzhong completed NCC Education's Level 3 International Foundation Diploma for Higher Education Studies. He progressed to Bachelor of Commerce (Marketing) at Curtin University Singapore.

I got an overall "Distinction" in my NCC Education Level 3 International Foundation Diploma for Higher Education Studies and was enrolled by my dream university, Curtin Singapore!

The well-structured syllabuses and the whole academic team helped me to acquire the knowledge and skills necessary for university studies.

This remarkable journey also helped me to realise that a temporary setback in any process can be good because it fuels your passion to keep you moving forward and meet the better you!

”

SHAHBOZ ABDUHAMIDOV

Shahboz completed NCC Education's Level 3 International Foundation Diploma for Higher Education Studies. He progressed to study BA (Hons) International Business and Finance at Bratislava University of Economics and Management, Slovakia.

Studying the NCC Education International Foundation Diploma was a unique and valuable experience. The learning process was very interesting, with all tasks completed practically, and the teaching methods were innovative, using an interactive approach. This programme helped me prepare for university studies and develop my academic English and mathematics skills. I learned how to manage my time, work independently and I became more confident.

Thanks to NCC's L3IFDHES, I will be going to one of the best universities in Slovakia. This will help me to achieve both my professional and academic goals.

Admissions Now Open For October 2026

A POPULAR STUDY DESTINATION IN THE UK

Why Choose De Montfort University?

De Montfort University (DMU), Leicester is one of the UK's most popular study destinations for international students, providing more than 200 courses across undergraduate and postgraduate studies. DMU is one of the few institutions in the UK that delivers teaching in 'block teaching' method, resulting in more than 92% student satisfaction in better study-life balance.

Why Choose To Study In Leicester?

Located at the heart of England, Leicester is one of the most affordable cities in the UK for international students. The city is rich in culture and diversity, and has excellent rail connections to other major cities like Birmingham, and London.

Email: progression@dmu.ac.uk

Visit: www.dmu.ac.uk/international

NCC Pathways For Progression To DMU

At DMU, over 45+ pathways are available for progression from an NCC programme to a DMU programme across Business, Law, Computing, Media, Engineering, Arts, Design, Humanities, Health and Life Sciences subject areas in undergraduate and postgraduate studies.

International Scholarships

At DMU, we support international students with their tuition fees and living costs through exciting scholarships. Find out more at: www.dmu.ac.uk/international

YEHAN PATHINAYAKE

Yehan completed NCC Education's Level 3 International Foundation Diploma for Higher Education Studies. He has progressed to study Bachelor of Business at La Trobe University, Australia.

The NCC curriculum was very global, making me feel prepared to study alongside international studies in my degree programme.

I loved the practical, project-based approach. We were encouraged to work on real-world problems, which made classes interesting and engaging.

The course helped me gain confidence in my academic abilities and I have carried this forwards to my university studies!

AREESHA YOUNAS

Areesha completed NCC Education's Level 3 International Foundation Diploma for Higher Education Studies. She progressed to study BSc (Hons) Software Engineering from Liverpool John Moores University, UK.

My favourite part of the course was the presentations as they allowed us to demonstrate and explain our work on assignments.

The L3IFDHES was very learning and skills-based. It covered every skill and knowledge required for university, and unlike other level 3 qualifications, it did not involve drawn-out, difficult exams.

Computing	Must have IELTS 6.0, English GCSE or equivalent Minimum 60% Merit grade in Computing stream units (Introduction to Computer Science and Introduction to Programming)	BSc (Hons) Computing
Finance	Must have IELTS 6.0, English GCSE or equivalent Minimum 60% Merit grade in Finance stream units (Further Mathematics, Introduction to Accounting and Finance)	- BA (Hons) Accounting and Finance - BSc (Hons) Banking and Finance - BSc (Hons) Economics - BSc (Hons) Economics and Finance

NAUMAN ZAFAR

Nauman completed NCC Education's Level 3 International Foundation Diploma for Higher Education Studies. He progressed to study BEng (Hons) Architectural Engineering at Liverpool John Moores University, UK.

I highly recommend the NCC Education Level 3 International Foundation Diploma for Higher Education Studies. It provided me with a solid foundation, developed my critical thinking and problem-solving skills, and paved the way for my successful admission to study BEng Architectural Engineering.

The diploma's academic rigor and supportive faculty helped me achieve my goals, and I'm confident it can do the same for others.

FERIEL ALLAD

Feriel completed NCC Education's Level 3 International Foundation Diploma for Higher Education Studies and has progressed to study BA (Hons) Architecture at Bath Spa University, UK.

I already had a good level of English to start with, however I had never experienced studying Physics and Maths in English or doing assignments.

I'll be needing these skills in university so studying them and bettering my English was really helpful.

I would absolutely without a doubt recommend the L3IFDHES programme to other students.

A leading U.S. university for business degrees Preparing Global Leaders

Northwood University is a nationally-ranked American university that focuses on preparing the next generation of global entrepreneurs and leaders. When you choose to come to Northwood, you will join an international group of motivated young adults who want to achieve career success. More than 1,000 non-U.S. students study at Northwood University annually.

- IFY entry Year 1 to all Bachelor of Business Administration degrees
- Level 5 Diploma in Business entry Year 3 to Bachelor of Business Administration degree in Management
- Level 5 Diploma in Business IT Year 3 entry to Bachelor of Business Administration degree in Management Information Systems

“Northwood University opened its doors and welcomed us wholeheartedly – from the Midland community, to Northwood professors and other students. Its reputation combined with the dedication of the professors and staff challenged us to stand out in a sea of many. Northwood University is an ideal place to learn and develop individual responsibility.”

SHIYA FU

Shiya completed NCC Education's Level 3 International Foundation Diploma for Higher Education Studies. She is looking forward to starting her international freshman year at Singapore Institute of Management, Singapore.

Compared with other Level 3 courses, I found that L3IFDHES is particularly practical.

For example, in academic writing and report writing we had to use the Harvard format to standardise citations. When you go to university to write a thesis, you don't have to start learning this from scratch, which is much easier.

Additionally, the homework, group projects and exam deadlines forced me to learn to manage time reasonably and distinguish between priority. Now I can cope with studying many courses at university and I can be more than proficient.

ZHITONG ZHOU

Zhitong completed NCC Education's Level 3 International Foundation Diploma for Higher Education Studies. She progressed to study International Year One Diploma in Business at Singapore Institute of Management, Singapore.

I would recommend the L3IFDHES to any student. The course greatly boosted my confidence, especially in participating in academic discussions and working on group projects. By the time I started university, I already felt well-prepared and familiar with the expectations and academic culture.

It also made my transition to university smoother because of its clear progression pathways."

MADINABONU UMURZAKOVA

Madinabonu completed NCC Education's Level 3 International Foundation Diploma for Higher Education Studies and has progressed to study BSc Accounting and Audit at STARS International University, Uzbekistan.

I got a lot of experience from the L3IFDHES. My favourite subjects were English for Academic Purposes, Foundation Mathematics and Culture Studies.

I would recommend the L3IFDHES programme to other students as it gave me the help I needed to progress to my higher education studies!

	IELTS 5.5 or higher in each band Overall average of 40% (Pass) with at least a MERIT in Foundation Mathematics - any electives	- BEng (Hons) Aerospace Engineering (extended with integrated foundation year) - BEng (Hons) Chemical Engineering (extended with integrated foundation year) - BEng (Hons) Civil Engineering (extended with integrated foundation year) - BEng (Hons) Electrical and Electronic Engineering (extended with integrated foundation year) - BEng (Hons) Instrumentation and Control Engineering (extended with integrated foundation year) - BEng (Hons) Mechanical Engineering (extended with integrated foundation year) - BSc (Hons) Biological Science (extended with integrated foundation year) - BSc (Hons) Biomedical Science (extended with integrated foundation year) - BSc (Hons) Computer and Digital Forensics (extended with integrated foundation year)

ZAHRA AHMAD

Zahra completed NCC Education's Level 3 International Foundation Diploma for Higher Education Studies. She progressed to study Bachelor of Computer Science from Swinburne University of Technology at Barzan University College, Qatar.

I chose NCC Education as it is internationally recognised and provides quality education.

My experience of receiving a British education through NCC has been very valuable and rewarding. It has broadened my exposure for higher education and has helped in developing my skills for a better future.

The University of Queensland Australia

www.uq.edu.au
future-students.uq.edu.au/contact-us/international-online-enquiries

L3IFDHES	Entry Requirements	Year 1 Entry to
Any / relevant to study area	The necessary English language proficiency requirements are available on the UQ website: https://ppl.app.uq.edu.au/content/3.40.14-english-language-proficiency-admission, or https://my.uq.edu.au/programs-courses/ Students will be required to have completed their NCC L3IFDHES in one year (equivalent to two semesters) of full-time study, and must meet any other pre-requisites set by the UQ. Applications will be considered on an individual basis.	- The University of Queensland (UQ) will consider students for entry to the first year of undergraduate programmes with a Selection Rank of 88 and below. - Selection ranks can change year-on-year and meeting the selection rank threshold does not guarantee admission. A University of Selection Rank of 88 is deemed equivalent to 90% in the L3IFDHES. To check the selection rank of your preferred course, please visit the UQ website: https://my.uq.edu.au/programs-courses/

ALNUR BAZARBAYEV

Alnur completed NCC Education's Level 3 International Foundation Diploma for Higher Education Studies. He received a first-class scholarship to study International Economics and Trade at China University of Petroleum-Beijing.

The Business and Economics electives in the NCC Education L3IFDHES programme were very helpful for my university preparation. When I was interviewed by the university, they asked about my familiarity with business concepts like SWOT, PESTLE analysis etc. Since I had learned about these, I was able to answer their questions easily.

I am extremely proud to be a holder of the L3IFDHES qualification, and I genuinely have no regrets about choosing this programme!

Choose Chester

The University of Chester is one of the longest-established higher education institutions in the UK, with over 180 years of educational heritage. **Choose Chester** to study and live in a vibrant, unique, and welcoming city, full of character and culture.

All other undergraduate programmes

AMAR ASIM

Amar completed NCC Education's Level 3 International Foundation Diploma for Higher Education Studies and has progressed to study BSc (Hons) Accounting and Finance from the University of London - London School of Economics at TMUC Lahore, Pakistan.

The L3IFDHES taught me how to write assignments professionally and the presentations really boosted my confidence to speak and communicate with an audience.

I recommend this diploma because it not only prepares you for the university but also helps you to overcome your weaknesses for a better future.

UMAYA DE SILVA

Umayya completed NCC Education's Level 3 International Foundation Diploma for Higher Education Studies. She progressed to study BSc Accounting and Finance at University of London.

I chose the NCC Education L3IFDHES because it is a well-qualified foundation programme that is well recognised worldwide.

This qualification provided me with a strong foundation in the fundamentals of business, enabling a smooth transition into my degree studies at the University of London.

SEVINCH ESHQOBILOVA

Sevinch completed NCC Education's Level 3 International Foundation Diploma for Higher Education Studies. She progressed to study her degree at Westminster International University in Tashkent, Uzbekistan.

What I liked most about the NCC Education L3IFDHES is that I got a high-quality British education that enabled me to apply to foreign universities.

The L3IFDHES prepared me for university study through improving my knowledge and ability to write academic pieces of work.

2026 UCAS Application Guide

Please see the following link for further support:

<https://www.ucas.com/undergraduate/applying-university/filling-your-ucas-undergraduate-application>

If you have any problems following the below steps, please contact UCAS or your centre directly for further help and advice: <https://www.ucas.com/contact-us>

1 TO GET STARTED

Visit the new UCAS Hub. Make sure you are on the 'Register' tab and then fill in your details to create an account:
<https://accounts.ucas.com/Account/Login>

2 Once you have registered on the UCAS Hub, you will be sent an email asking you to verify your account. Follow the instructions.

3 After verifying your account, you are ready to sign in. Return to <https://accounts.ucas.com/Account/Login> and go to the 'Sign in' tab.

4 Take some time to explore the UCAS Hub.

5 TO APPLY

Go to the home dashboard on your UCAS Hub profile.

6 Select the appropriate application year i.e. 2024 and click 'Start application' then 'Undergraduate'.

7 If your centre has a UCAS buzzword then add it, otherwise cancel and continue your application.

8 Add your university / degree choices (maximum of 5)

9 Complete all information fields

10 In the 'Education' section, click 'Add place of education'.

11 Type in the name of your centre. Select your centre - most international schools are not listed; if this is the case, type in the name of your centre and add it. Leave the exam centre number blank.

12 **INPUT THE DATES** of when you started at your school and when you finished

13 **PICK 'FULL-TIME'** in the type of study option

14 'Do you, or will you, have any qualifications from this centre?' Select 'Yes'

15 **SAVE**

16 **CLICK 'ADD QUALIFICATION'.** It is advisable to have your transcript(s) next to you so you can copy the information for each module as required.

17 GO TO THE 'SEARCH BY NAME' BAR.

If you are studying the NCC Education Level 3 International Foundation Diploma for Higher Education Studies (L3IFDHES), select 'International qualifications' and search for 'NCC'. If you cannot see the qualification in the results, you may need to de-select the 'filter by' option by clicking 'Qualifications in [name of country]'.

18 If you are studying any other NCC Education qualification, instead search for 'Other' and select an option based on your location (UK, EU, Non-EU). On the next page, in 'Subject/Title' type in the name of the qualification manually and add the name of the Awarding Organisation as 'NCC Edu' (the box may limit to 8 characters).

19 Select a qualification date (see your NCC Education transcript)

20 In 'Result' put your overall numerical grade (if you have it, if you don't have it yet you can leave it blank).

21 In 'Module title' type in the module title. Add the qualification date and the results if you have any for this qualification. You might not have them all yet in which can just leave any awaiting results blank. To add more, click 'add another module'.

22 **SAVE IT!** You can add another qualification and come back to edit as needed.

23 The Unique Learner Number (ULN) can be left blank.

24 For the section 'English language certificates', complete the relevant TOEFL or IELTS section, or add any other accept English-language test in the 'Add qualification' section. Please ensure to check each individual course page for which English-language tests each university will accept and if you need to provide one.

25 Mark section as complete.

26 Continue with the rest of your application, including providing any details of employment and your personal statement and references.

CONGRATULATIONS! YOU ARE NOW ON YOUR WAY TO STUDYING IN THE UK.

Note: Non-EU International students can usually apply to UCAS at any time between 1st September and 30th June in the year preceding the academic year that studies commence. Most students apply well before the deadline to make sure that places are still available on their desired courses. Applications received after 18:00 (UK time) on 30th June will be automatically entered into Clearing.

XINJIE HAN

Xinjie Han completed NCC Education's Level 4 Diploma in Business (L4DB). She progressed to study the Bachelor of Business Studies (Honours) at Kaplan Singapore, awarded by University College Dublin.

I encourage students who have a vision for their future to undertake NCC Education's qualifications and go abroad for further study as it gives you an experience of a life-time!

I'm studying my Bachelor's degree in Singapore and am applying things I learnt from NCC Education's course every single day. It was an excellent course with concepts that were immediately applicable to my university course in Singapore.

CHENYANG YOU

Chenyang completed NCC Education's Level 4 Diploma in Business. She progressed to study the Bachelor in Business Studies at Kaplan Singapore, awarded by University College Dublin.

NCC Education's Level 4 Diploma in Business is one of the best things I've ever been a part of. The course helped me to develop new ideas to understand the real business world!

Nestled between the beautiful urban areas and the sea, our campus is surrounded by a breath-taking natural landscape. The location, the scenery and the surrounding area are the reasons why I chose to come to come here.

AYE THANDAR AUNG

Aye Thandar Aung completed NCC Education's Level 3 Diploma in Computing and Level 4 and 5 Diplomas in Business. She is now studying BA (Hons) Business Management at Manchester Metropolitan University, UK.

Completing this qualification has proved to be a very satisfying experience.

It was a great course which allowed me to grow and work independently and yet gave enough advice when it was necessary. It also made me gain confidence in what I am capable of and equipped me with the skills that I am now ready to begin the next phase of my learning or my career."

AÏTA RAMY INESA TANOH

Aïta completed the NCC Education Level 4 Diploma in Business and NCC Education Level 5 Diploma in Business. She then progressed to the BSc (Hons) Business Management top-up degree with University of Bolton (now University of Greater Manchester), delivered by WINC Online

What I enjoyed most about both my L4DB and L5DB is the depth of the topics covered and how they allowed me to develop my critical skills.

I particularly liked the research projects that enabled me to deepen my knowledge on various subjects; this enriched my learning experience and helped me see things from different perspectives.

Now that I have completed my degree, I plan to embark on a career as a flight attendant with Air Côte d'Ivoire. I am excited to pursue this dream that I have cherished since my childhood.

University of the West of England (UWE Bristol) England

Overall 40% Pass. To apply please contact your local NCC Education Accredited Partner Centre.	BSc (Hons) Business Management Top-Up - delivered by WINC online, awarded by University of Greater Manchester

XIN YUAN

Xin Yuan completed the NCC Education Level 3 International Foundation Diploma for Higher Education Studies, NCC Education Level 4 Diploma in Business and NCC Education Level 5 Diploma in Business. He then progressed to the BSc (Hons) Business Management top-up degree with University of Bolton (now University of Greater Manchester), delivered by WINC Online.

NCC Education's business courses opened up possibilities for me to know more about how the real business world works, how to do business analysis and how to use the tools to make a smart decision.

My journey with NCC Education began from the L3IFDHES qualification and I'm glad to have the opportunity to approach my diplomas step by step with such a fantastic higher educational institute.

SHINN MON THANT

Shinn Mon Thant completed NCC Education's Level 3 Diploma in Computing and is now studying at Assumption University, Thailand.

I would definitely recommend this qualification to other students.

Studying with NCC Education gave me confidence and helped me improve my academic and communication skills.

The lessons were practical and easy to follow, and the tutors were always supportive. This qualification not only prepared me well for university but also motivated me to aim higher in my future studies and career."

UNGWERU MUNYENYEMBE

Ungweru completed NCC Education's Level 3 Diploma in Computing and is now studying the NCC Education Level 4 Diploma in Computing.

I absolutely loved the Mathematics Skills for Computing module in the L3DC. It was my highlight of the programme and on that basis, I has moved onto the L4DC as a steppingstone to gaining entry at MUBAS, a well-known polytechnic collage in Malawi.

I aim to become a software engineer and inspire other young women to become software engineers.

L4DC	Entry Requirements	Year 2 Entry to
	Please find up-to-date information at https://www.swinburne.edu.au/study/international/apply/entry-requirements/ Students that have not met the English entry requirement for direct entry into their chosen course may be offered a pathway via Swinburne's English Language Intensive Courses for Overseas Students (ELICOS). Successful completion of our ELICOS can gain direct entry to Swinburne without the need to take a formal English test. For further information, please see https://www.swinburne.edu.au/study/course/English-Language-Courses-(ELICOS)-EL-ELICOS/international/ACADEMIC Students must successfully complete the specified Diploma at NCC Education with a minimum overall average mark of 60% (equivalent to an Australian credit average) to be eligible for a maximum of 100 credit exemptions.	Bachelor of Information and Communication Technology (any major). Majors available include: • Business Systems • Network Technology • Software Technology • Systems Analysis • Systems Management For up-to-date information, see www.swinburne.edu.au/study/course/bachelor-of-information-and-communication-technology and scroll to 'Choose a major'.

LIN HTUT OO

Lin Htut Oo completed NCC Education's Level 3 and 4 Diplomas in Computing. He plans to use this qualification to progress to a university in Japan to study Information Technology.

My favourite part of this qualification was learning about computer systems, databases and networking. I liked how the lessons were clear and easy to understand, which helped me to improve my IT and problem solving skills.

I would recommend this qualification to other students because it gives strong basic knowledge and is a good starting point for anyone who wants to study IT or work in the technology field."

BRANDON YONASI

Brandon completed NCC Education's Level 4 and 5 Diplomas in Computing. He progressed to study BSc (Hons) Business Computing and Information Systems with the University of Lancashire.

I chose to complete the BSc (Hons) Business Computing and Information Systems online top-up degree with NCC Education because it provided the perfect balance between flexibility and quality.

As someone looking to advance in the IT field while managing other commitments, the online format allowed me to study at my own pace without compromising the depth and rigor of the programme.

EUGENE MCHISWE

Eugene completed NCC Education's Level 4 and 5 Diplomas in Computing. He progressed to study BSc (Hons) Computing (Information Systems) at the University of Greenwich.

I would definitely recommend this qualification to other students who are passionate about computing and technology.

The course provides a strong foundation in key areas such as networking, programming, systems analysis, and database management, which are essential in today's IT industry.

It also combines both theoretical and practical learning, allowing students to gain hands-on experience and develop problem-solving skills.

SUDIP PATHAK

Sudip completed NCC Education's Level 4 and 5 Diplomas in Computing. He progressed to study BSc (Hons) Computing with University of Greenwich, UK.

My NCC Education qualification provided me with the necessary academic background and technical skills to smoothly transition into a degree programme and succeed in university-level studies.

The course structure was clear, and the modules were very relevant to current technology trends. I also appreciated the practical assignments, which made learning more engaging and real-world focused.

Level 5 Diploma in Computing (with Data Science)

**Level 5
(L5DC DS)**
Regulated Qualifications
Framework (RQF)

Equivalent to
the 2nd year of a
bachelor's degree in
the UK

The NCC Education Level 5 Diploma in Computing (with Data Science) (L5DC DS) makes up the second year of the NCC Education degree journey, building on the knowledge gained in the Level 4 Diploma in Computing (L4DC).

Students will study a balance of academic and vocational subjects in order to provide the necessary knowledge and skills to manage big data and extract valuable insights.

If you enjoy statistics or working with data and information, the Level 5 Data Science Specialism could be an excellent career path for you!

L4DC BM	Entry Requirements	Year 2 Entry to
	Please find up-to-date information at https://www.swinburne.edu.au/study/international/apply/entry-requirements/ Students that have not met the English entry requirement for direct entry into their chosen course may be offered a pathway via Swinburne's English Language Intensive Courses for Overseas Students (ELICOS). Successful completion of our ELICOS can gain direct entry to Swinburne without the need to take a formal English test. For further information, please see https://www.swinburne.edu.au/study/course/English-Language-Courses-(ELICOS)-EL-ELICOS/international/ACADEMIC Students must successfully complete the specified Diploma at NCC Education with a minimum overall average mark of 60% (equivalent to an Australian credit average) to be eligible for a maximum of 100 credit exemptions.	Bachelor of Information and Communication Technology (any major). Majors available include: • Network Technology • Software Technology For up-to-date information, see www.swinburne.edu.my/courses/bachelor-of-information-and-communication-technology.php

ZENAB PATEL

Zenab completed NCC Education's Level 4 and 5 Diplomas in Computing (with Business Management). She progressed to study BSc (Hons) Computing at the University of Greenwich, UK.

I would definitely recommend NCC qualifications! Combining knowledge about databases, human and computer interactions as well as being required to come up with projects to solve a real world problem equips students a broad understanding as to what digital solutions are actually capable of and what impact they can have on societies.

KHADIJAH SAEED

Khadijah completed NCC Education's Level 4 and 5 Diplomas in Computing (with Business Management). She progressed to study BSc (Hons) Computing with University of Greenwich, UK.

As a woman aspiring to build a career in the IT field, I am inspired by the opportunity to make meaningful contributions to a rapidly evolving industry.

Technology continually shapes how we live and work, and I am motivated by the chance to be part of that transformation. I am also encouraged by the growing representation of women in tech and hope to contribute to that positive change.

APRIL SOE NAING

April completed NCC Education's Level 4 & 5 Diplomas in Computing (with Business Management). She progressed to study final year/Level 6 BSc (Hons) Information Technology for Business at Oxford Brookes University, UK.

Acquiring a British qualification has already helped my career by strengthening my CV, improving my confidence, and opening opportunities to progress to a top-up degree at Oxford Brookes University.

Employers and universities value the credibility of a UK-regulated qualification, and it has shown that I can perform to international academic standards. It has also enhanced my communication, professionalism, and readiness for roles in IT, business analysis, and project management.

DALITSO PATRICK CHIKUNGWA

Dalitso completed NCC Education's Level 5 Diploma in Computing with Business Management. He progressed to study BSc (Hons) Computing at the University of Greenwich.

This qualification encompasses the entire System Development Lifecycle. What I liked the most was the combination of technical skills and user-centred design.

I enjoyed learning about requirements management, which sharpened my ability to translate stakeholders' needs into actionable solutions, as well as the different methodologies that can be used. The modules strengthened my analytical and problem-solving skills to lead with clarity in the IT sector.

ALIYA MOHEPAT

Aliya completed NCC Education's Level 4 & 5 Diplomas in Computing (with Business Management). She progressed to study final year/Level 6 BSc (Hons) Applied Computer Science from Anglia Ruskin University at School of Accounting and Management (SAM), Trinidad and Tobago.

My NCC Education qualifications were challenging but in a good way, helping me to grow my academic mindset and challenge myself to a new standard of work. I had to put in a lot of time, hard work and a strong mindset but it all proved worthy in the end.

I was pleased to be selected for an amazing internship opportunity and my boss was very impressed with the abilities and understanding I gained from completing my studies with NCC.

**ALENA CHIWAYA**

Alena completed NCC Education's Level 7 Diploma in Business Management. She progressed to study the online MBA - Advanced Entry (Top-Up) from Cardiff Metropolitan University, UK.

This qualification didn't just teach me business management but it fundamentally improved how I think strategically and solve complex problems. It was a genuinely transformative learning experience. Despite it being distance learning, I never felt unsupported.

I would highly recommend this qualification to any busy professional seeking to advance their skills. It is perfectly designed for anyone who needs to balance studying with their professional and personal life.

HOW DOES IT WORK?

Students complete NCC Education's 120-credit Level 7 Diploma in Business Management (L7DBM) with their local Accredited Partner Centre (a range of face-to-face, blended and online delivery options are available).

This can be topped up to a full Master's in Business Administration by completing an online 60-credit MBA top-up with Cardiff Metropolitan.

Cardiff Metropolitan University's MBA Advanced Entry Programme consists of a Research Methods module (20 credits) and a Dissertation (40 credits) on a topic of your choice.

On successful completion of the course, students receive a Cardiff Metropolitan University certificate in 'Master of Business Administration' as well as a transcript and HEAR (Higher Education Achievement Report).

Graduates are also invited to attend the graduation ceremony based in Cardiff.
